Burial Preservation Board

- Eighteen matters came before the board from 2011-2012. Four formal board meetings were held along with a number of reburials. Here are a few highlights.
- Burial site established at First Peoples Buffalo Jump for unclaimed remains. Burial was held at this site on October 28, 2011.
- Two sets of remains were buried on the Crow Reservation near Nye, and a burial board member attended this reburial.
- Remains found on private land in Granite County. The landowner allowed remains buried in a protected site on his property. Members of burial board attended burial.
- Remains from three locations were buried on the Fort Belknap reservation and a burial board member attended these reburials.
- The Board has worked with MSU-Northern to allow the reburial of a skull that has been housed at the college.
- In September 2012, the Board met with the Anthropology department from the University of Montana in Missoula to discuss various issues regarding human remains, including the remains from the Pictograph Caves near Billings.
- Drafting Administrative Rules for repatriation of human skeletal remains and funerary objects.
